

Planned Parenthood Votes Northwest and Hawaii

Dear Candidate,

Congratulations! We are thrilled to announce that you have received the endorsement of Planned Parenthood Votes Northwest & Hawaii for the 2020 election. You have been and are certain to be a strong champion and dedicated advocate for sexual and reproductive health and rights. We look forward to working with you.

As an endorsed candidate, you may use **"Planned Parenthood Votes Northwest and Hawaii"** and the attached logo in campaign materials and press releases. Please take care to use this precise wording. Please note that endorsements are limited to the 2020 election cycle and are not ongoing.

Planned Parenthood Votes Northwest & Hawaii is an independent, not-for-profit organization that engages in legislative, educational and limited electoral activity in Hawaii, Alaska, Washington and Idaho. Our coordinated committee and independent expenditure committee have separate segregated funds from Planned Parenthood Votes Northwest & Hawaii, and support pro-choice, pro-family planning, pro-equality candidates for Hawaii's state and local offices.

Planned Parenthood Votes Northwest & Hawaii strives to use its electoral resources in the most effective way. We target a small number of races and direct the bulk of our resources to those targets.

Should you have any questions on how to list our endorsement, appropriate use of the logo or contributions to your campaign, please contact Laurie Field at laurie.field@ppvnh.org or (808) 382-1107.

Your support for sexual and reproductive rights and health means so much—not just to us, but to the thousands of patients Planned Parenthood serves every year in Hawaii. Our patients are your constituents - women, men, teens and families. **ONE IN FOUR** American women have visited a Planned Parenthood affiliate health center in her lifetime.

On behalf of Planned Parenthood Votes Northwest & Hawaii, we wish you the best of luck in the coming election.

Sincerely,
